Annual Report

America's Second Harvest (Feeding America)

Brochure

Nearly half (45%) of the emergency clients served by America's Second Harvest choose between buying food and paying for utilities or heat. To help alleviate these difficult financial choices, America's Second Harvest provides emergency food to more than 2.5 million Americans age 65 or over.

how we work

The America's Second Harvest Network not only feeds hungry people, we work to alleviate the causes of hunger. Our Network Members advocate for favorable policies on behalf of America's hungry, educate the public about solutions to domestic hunger, provide services and programs that help our clients reach their goal of self-sufficiency, conduct research studies, publish statistics about hunger, assist communities affected disasters and provide leadership in the movement to create a hunger-free America.
