Sierra Meadows Ranch Mammoth, CA

Authentic & creative brand with a feature-rich website for a Mammoth California resort

OBJECTIVE

Sierra Meadows Ranch needed a refreshed brand to highlight its unique cabin lodging, horse boarding, and event spaces in Mammoth Lakes, California.

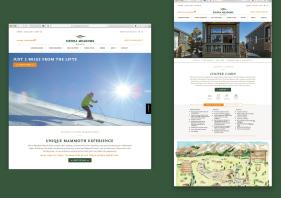

SOLUTION

UpShift revamped the brand to appeal to LA and San Francisco travelers while maintaining its authentic ranch identity. We developed a feature-rich website that increased bookings by 40%, raised cabin rates, and nearly sold out rentals year-round. The brand refresh also boosted multi-cabin group event bookings, helping eliminate previous "dead months."
